

What Is BUILD-PAC?

BUILD-PAC is the state political action committee of the North Carolina Home Builders Association. BUILD-PAC capitalizes on member contributions to help elect pro-housing candidates to statewide office, the NC General Assembly, judicial office as well as local office.

Recognized as one of the most influential PACs in the state, BUILD-PAC gives NCHBA a powerful voice in state and local government.

Your donation allows us to continue our successful track record of supporting candidates who make housing a priority.

We identify and support candidates committed to:

- Reducing government regulations
- Improving housing affordability and homeownership opportunities
